FOREWORD

The whole purpose of the Macofitz staff is to publish annually a pictorial story of the school year. This year has been full of activity and accomplishment. We invite you now to re-live, with pride, this school life, as we, with pride, present it in the -MACOFITZ.

DEDICATION

Mrs. Rebecca Cain, as a teacher has been very capable and conscientious, leading and directing us in the right ways of living and learning. She has impressed us greatly by her co-operation, loyalties, ability, and inspiration.

Mrs. Cain, we appreciate in many ways the things you have done for us in the previous years.

To you, we dedicate the Macofitz of 1964.

ADMINISTRATION

Mr. T. M. Johnson-Principal
Mr. Leroy H. Gardner-Assist. Principal

As another school year ends, I am reminded of Benjamin Franklin's statement, "He who squanders time squanders life, for that's the stuff life is made of."

We congratulate our seniors who have used time wisely and have dedicated their lives to useful service and we urge each of you to channel your regrets of wasted time into renewed efforts to better use life's opportunities.

We commend the faculty for their dedication, and say many thanks to our annual staff for a job well done.

Mr. G. F. Johnson - Guidance Counselor

A Word of Advice

This year, Stedman had for the first time, a full guidance department. Mr. Garland Johnson was named its director and has made himself and his facilities available to help students:

- (1) Choose and gain admission to college
- (2) Decide upon and plan for further non-college education
- (3) Solve any problems pertinent to the academic progress

MIGHTY ELEVEN

The Rams eleven were chosen by their conference peers in the pre-season poll as having no better chance than a second division finish. Good senior leadership and a not-to-be-denied attitude proved even the old prognosticators to be way out of bounds. The Rams proved to be too much for all-comers in the conference as they compiled a neat 10-0 conference record and a state play-off berth. The Rams were the only school in Eastern North Carolina in the AA classification to finish the regular season with a perfect slate. The Rams advanced to the AA finals by beating Cary, but fate was against the Rams in the last game of the state play-offs and they went down to defeat, still compiling the best record in the history of the school, 11-1. Congratulations to all Rams for their fine effort and record!

BASEBALL

The baseball season swept Stedman to new honors of athletic prowess in 1963. Bobby Johnson's superb fielding and stable batting; Tommy Johnson's power at the plate; Pat Strickland's wary catching; and the total team spirit of great effort finished the season with a 15-6 record.

In post season games the Stedman Club won the Cumberland County Championship from Hope Mills in a thriller that was settled in the 9th, score was Stedman 7, Hope Mills 4. A week later, the club advanced to the finals in Pioneer 2A tournament.

After the trophies, all home individual honors kept coming. Bobby Johnson was chosen to play in the East-West All Star game in Greenville, North Carolina, and the former baseball pro-our own Coach Brock-was picked as a co-coach for the East for that same game.

This year, 7 lettermen return to spring into action at the cry of "Play Ball!"

MISS STEDMAN

Each year the FHA sponsors the school beauty pageant and thus gives some Stedman girl a dream evening--the evening she is crowned Miss Stedman.

In 1963 the panel of impartial judges from outside the community selected Bonnie Hester as Miss Stedman. She is pictured here with her court--Wanda Carter, Karol Bunce, Sandra Strickland, and Nan Ray.

WHAT IS F. H. A.?

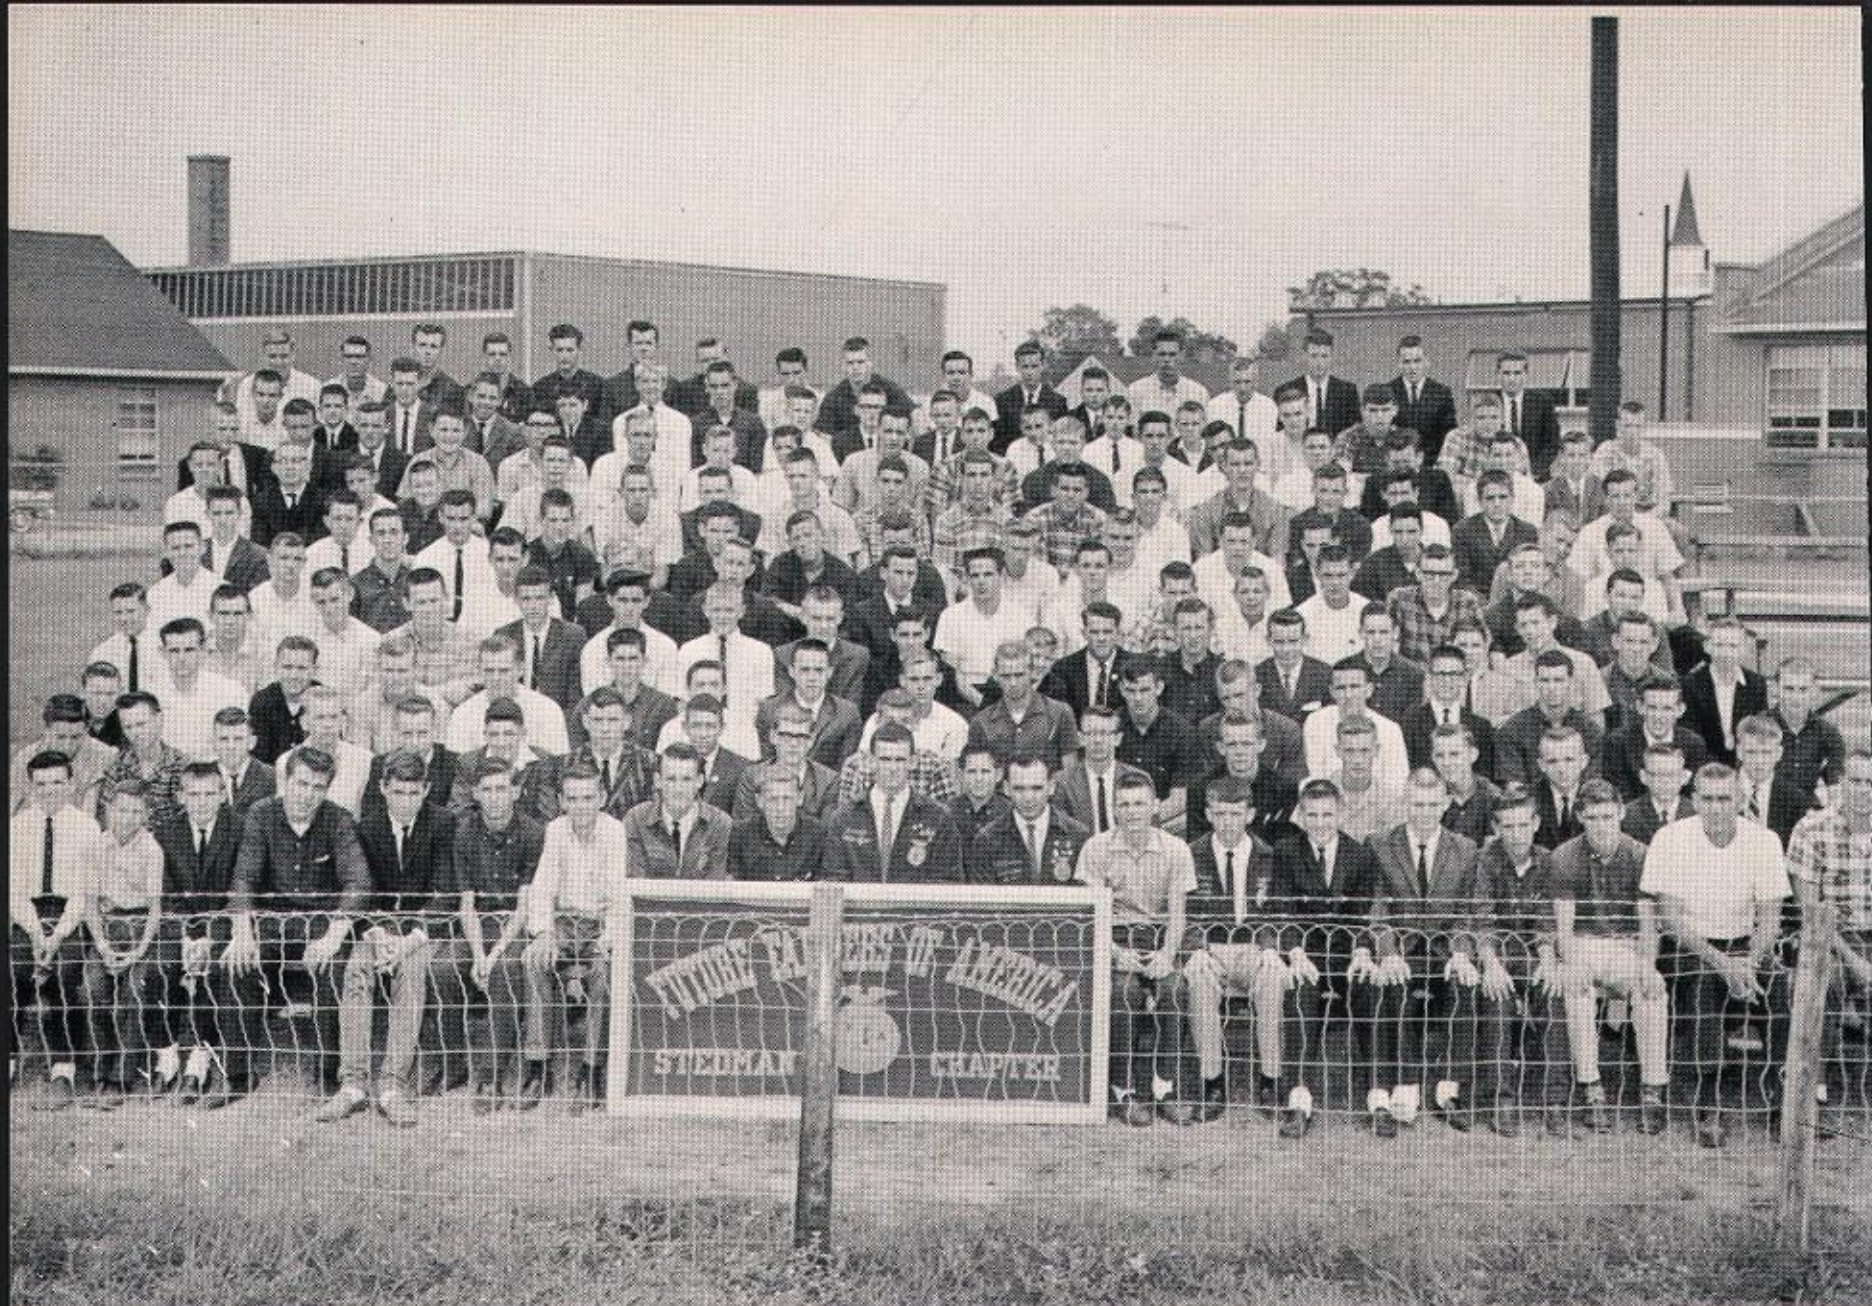

Future homemakers is a nationally affiliated organization dedicated to the improvement of individual, family, and community living.

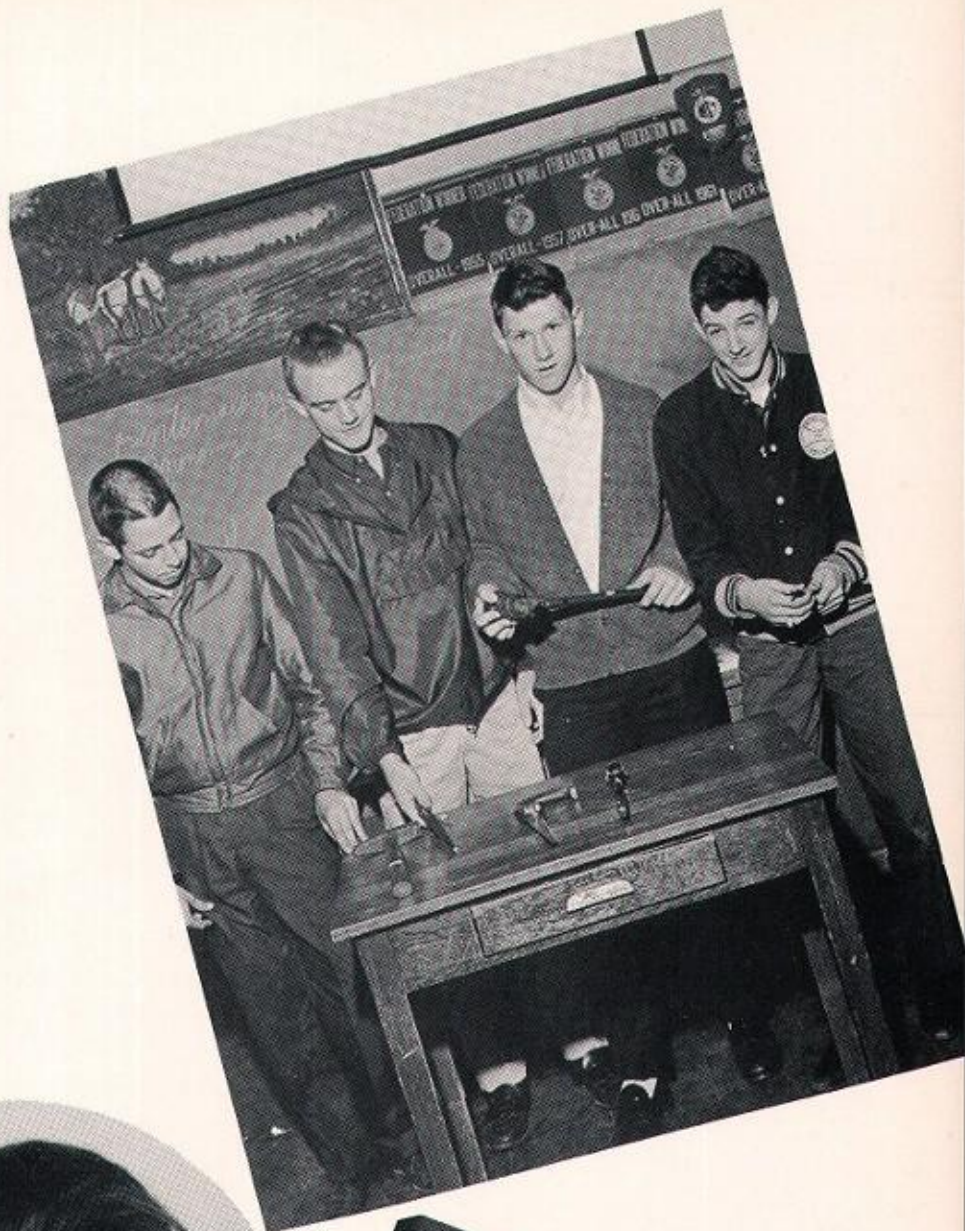

The major features of an F. H. A. year are Mother-Daughter Banquet, and the Miss Stedman Contest.

Annual service projects include a \$100 scholarship for a senior girl, drives for needy families, and aid to a Korean Orphanage.

Individuals in the Stedman Chapter works for Junior, Chapter, and State degrees, which are presented after achievement toward growth as an individual, member of the home, and member of the community.

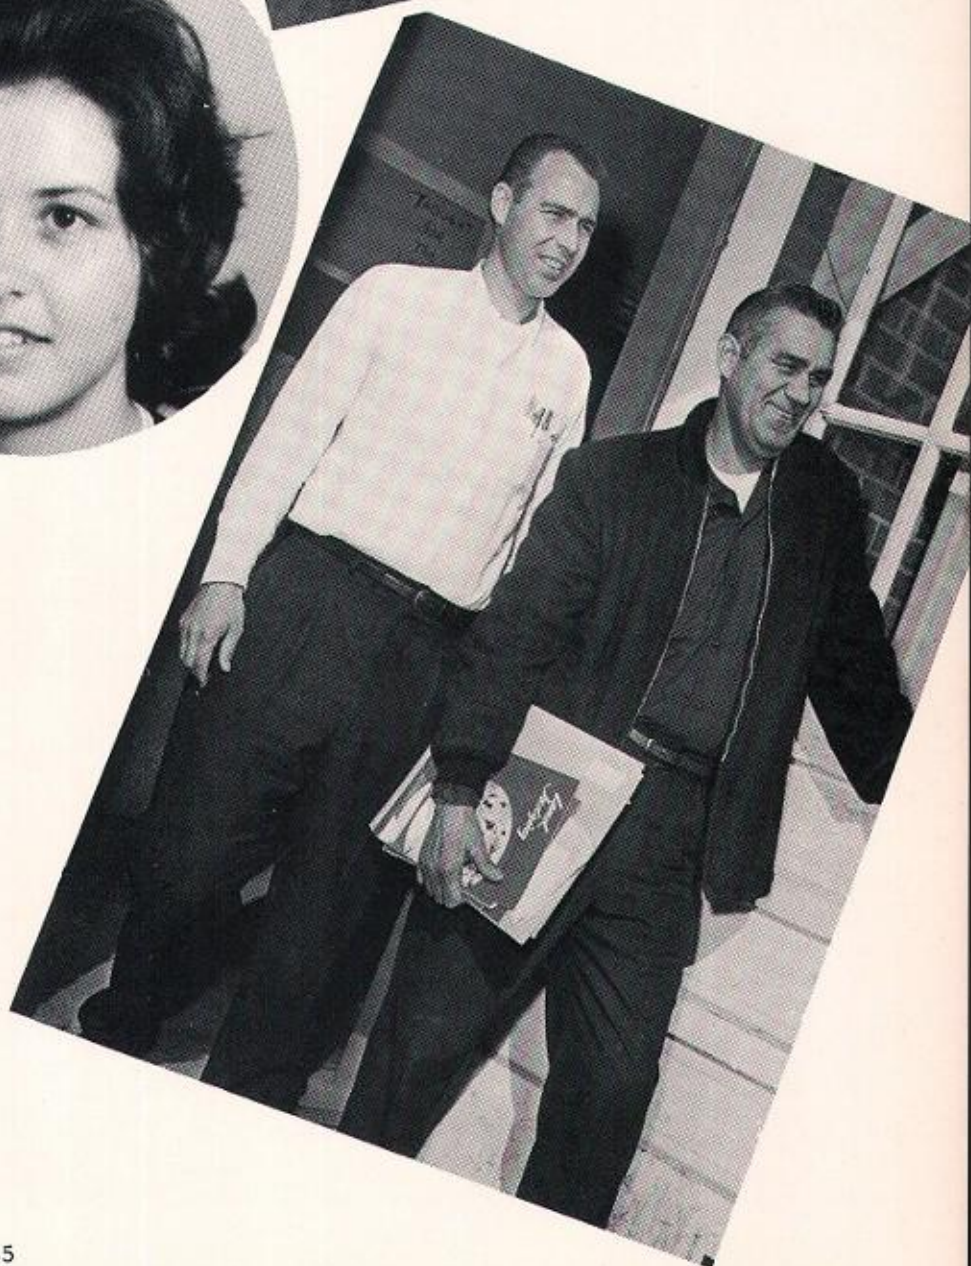

Chapter mothers give F. H. A. a helping hand and moral support. This year the Mothers are Mrs. Nellie Autry, Mrs. Horace Smith, Mrs. Nellie Smith, and Mrs. G. D. Toman.

F. F. A. assumes responsibility for grounds and athletic field up keep, maintains a picnic area for the Stedman community, and aids in construction projects other clubs encounter.

In '63-'64 this F. F. A. chapter won second place in state soil judging and ranked with the top ten in state tool judging. This year promises to be as honor filled, with three county titles already captured.
